

# NELA

## Metro Lock-up

In the time of anticipated web reduction and breaking the magical number of 50", NELA now offers the new NELA Lock-up for web reduction from 50" to 48" to 44" (custom specification for 55" available). Our stainless steel lock-up offers you a convenient and hassle free step in your web reduction project.

As a turnkey solution-provider, we can modify your bender to match the pin location or even adjust to a different bend angle.

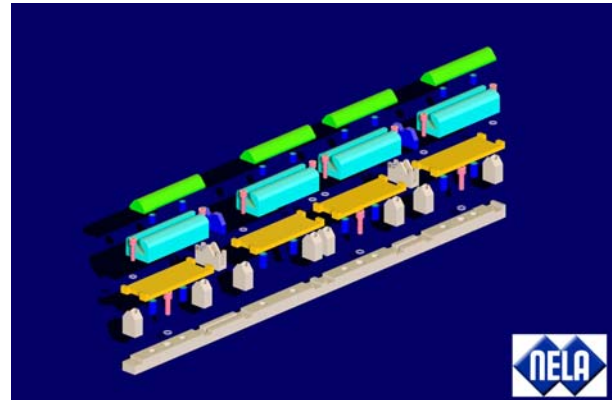

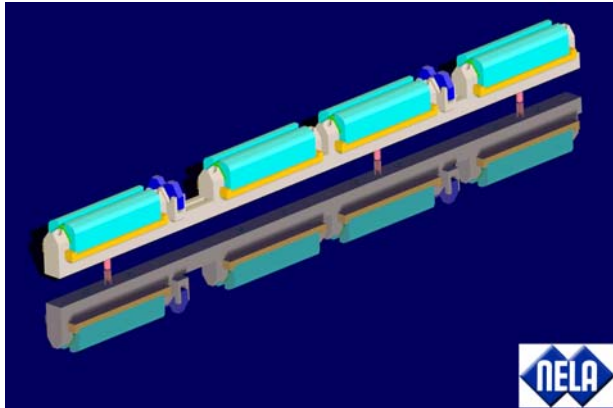

We offer future-oriented solutions which don't need to be replaced. The next step of web reduction to 46" or even 44" to your operation.
